

DETAILS ARE COMPLETED FOR MEMORIAL DAY

PARADE TO THE CEMETERY WILL START AT TEN O'CLOCK SHARP.

The committee from the lodges and Miners' Union, have completed the arrangements for the street parade Monday morning to the cemetery, in observance of Memorial Day. Every organization in town has volunteered to take part and the line of march will be taken up promptly at 10 o'clock, with Captain G. R. Bradley officiating as marshal of the day. At the cemetery appropriate services will be held in honor of the honored dead.

The parade will form on Brougher avenue and start just above South street. A platoon of police will lead and be followed by the Uniform Rank, Knights of Pythias who act as escort to the Grand Army Veterans and the Spanish War Veterans in the order named. Then comes the marshal and his aides and the band.

The members of the Miners' Union followed by the Odd Fellows will form on the north side of Summit street.

The Knights of Pythias and Elks form on the south side of Central street while the Eagles and Young Men's Servian Society form on the north side of the same street and fall in the parade in the order named.

The Knights of Columbus and Fraternal Brotherhood will congregate on the north side of St. Patrick's street. The line of march will turn south on St. Patrick's street.

All ladies' orders will form on Bryan avenue.

The school children will meet at Everett street where the parade will turn to Main street and march direct to the cemetery.

Citizens and Volunteer Fire Department will form on Erie Main street while the paid department will be on Florence avenue.

A sketch of the line of march showing how the different bodies form will be given in Sunday morning's Bonanza and there should be no confusion in the different orders occupying the places assigned to them by the committee.

All the business houses will close during the morning, while several have announced that they will remain closed all day.

The barbershops will close from 12 o'clock to 4 o'clock in the afternoon.

THERE WAS SOMETHING DOING IN RENO TOWN

DEMOCRATS AND NEAR DEMOCRATS GATHERED IN SECRET SESSION.

As was stated in yesterday morning's issue of the Bonanza, the leaders of Nevada's democracy, gathered for a secret conflagration at Reno Tuesday night, but what resulted from the idea swapping contest, no one knows. The spot where the clan gathered is also a secret but it is presumed that the slate makers met in the back room of Henry Ritter's beer joint, and discussed the political situation over tall steins of cold tea or soda water. Strange rumors were again in evidence yesterday and amateur slate makers each made out an entry card showing all kinds of candidates in the race for the democratic nominations. Indeed the array of such talent was most wonderful—simply astounding—and men who were unknown in the rank and file of the party suddenly leaped into prominence when their name was mentioned for some office. It is now expected that when these occurrences are reported to the ears of the higherups at the state capitol, another back bar room session will be the result, for it is not fair for the rank outsiders to spoil the plans already mapped out which are expected to carry the state into the democratic column at the coming election.

Harry Stimler, who has been absent for several months, came in from the north yesterday and will continue on to Manhattan in a day or so.

WILL CELEBRATE GLORIOUS FOURTH IN FINE STYLE

COMMITTEES AND CITIZENS MEET LAST NIGHT AND START BALL ROLLING

An enthusiastic meeting was held at the volunteers' gymnasium last evening by the citizens of Tonopah to make arrangements for the proper observance of the glorious Fourth of July and it was finally decided to hold a two days' celebration which will be the greatest ever attempted in this southern country. Ed Malley called the meeting to order and explained to those who had answered the call, the object of the gathering. R. B. Davis was appointed chairman and H. H. Atkinson selected as secretary.

The first important business transacted was to name the different committees and it was finally decided that an executive committee, together with a finance, parade, dance, decorations, drilling, fireworks, refreshments, sports, Goddess of Liberty, kangaroo court, and float committees be appointed. The membership of these will be named today and will appear in tomorrow morning's Bonanza.

All the committees will meet next Monday night and report to the general meeting on next Thursday night which will either be held at the gymnasium or the Pythian Castle over the postoffice.

From the tenor of the gathering last evening, it is assured that the fast approaching natal day will be celebrated in the proper style. Every one in attendance—and the meeting was crowded—favored a carnival and the motion was passed that the fourth and fifth of July be two days of fun.

The Goddess of Liberty contest will soon be started and this is bound to awaken interest in the celebration, for the funds derived will go into the general fund.

CURRENT CREEK COUPLE ARE GRANTED LICENSE

A marriage license was issued yesterday by County Clerk Robert G. Pohl, who is also commencing to be known as "Cupid," to W. M. Horton, age 26, and Miss Bertha Cazier, age 18, both of Current Creek. The license was secured after Horton had made a deposition and mailed the same to the county clerk's office.

BURIED UNDER AUSPICES OF THE MINERS' UNION

REMAINS OF JOHN W. CLARK ARE LAID TO REST IN CITY CEMETERY.

The remains of John W. Clark, who died Tuesday from wounds inflicted by either Joe or Antone Dominick at Millers Sunday night, were buried yesterday morning in the city cemetery. The funeral was held from the undertaking parlors of Woonacott and Hall and was held under the auspices of the Miners' Union, of which the deceased was a member. The burial service of the organization was conducted at the grave by Secretary R. H. Dalzell. A large number of friends formed the cortege, as well as the two sisters of Clark, who reside in this city.

NEARLY WIN THEIR BETS ON A HORSE RACE

FUNNY SIDE OF LIFE IS PORTRAYED BY COMEDIANS AT THE NEVADA.

The Lewis and Lake company will present for tonight's program "The Rollicking Girl," a two act musical play written for laughing purposes only. During the action of the first act the three comedians are seen at the races and depict the funny side of life when "pikers" hit the merry old bookies' stand. They nearly win. Also during the first act the principal members of the company enact a Roman tragedy which is one of the funniest scenes ever presented on a local playhouse stage. The second act is a satire on every day life in the drug establishment of a quack doctor who goes away and leaves his porter to transact his business. And the awkward things he does are very funny. "The Rollicking Girl," taken as a whole, is simply a hodge-podge of comedy.

"The Merry Grafters," which was presented again last evening, drew a good house and the audience enjoyed the show immensely. The same popular prices, 25, 50 and 75 cents will continue during the stay of this popular company.

Fresh milk and cream—Tonopah Dairy.

DROWSY DICK OF POLICEMAN 73 IS A LAUGH

FEATURE FILMS AT THE BUTLER TODAY BETTER THAN EVER.

The show at the Butler theater last night was a scream from beginning to end, in fact one of the best shows of the season. The hit of the show was the Bihel sisters. Too much praise cannot be given them. Without doubt they were cleverer last night than ever. Martha and Bella in their new specialty "Sadie Salome," was a hit and they had to respond to many encores. Anna in her "Sis Hopkins" specialty was as good as ever seen in Tonopah. These little popular girls will do this same specialty tonight, and the pictures will all be new. Among them are "Drowsy Dick, or Policeman 73," comedy; "Poor Kid," drama; "A Yorkshire School," drama, and a big feature film entitled "The Angel of Dawson Claim." This show is on for today only, with an entire change tomorrow. Remember the ice cream matinee Saturday and "The Bihels" will appear at the first show. Ice cream is given to each child attending.

A GOOD CHANCE TO PATRONIZE A HOME CONCERN

NEVADA FLOUR IS A PRODUCT FAST FINDING FAVOR WITH HOUSEWIVES.

The endorsement of the Gold Medal flour, as printed in another column of this paper, by the McLean and McSweeney company, who are the distributors for southern Nevada, is one of the strongest that could be desired. This is a

Nevada product and is shipped here direct from the Riverside flour mill at Reno.

Thomas G. Lindsay, who has charge of the local office of McLean and McSweeney, stated yesterday that his firm had received several car loads of this flour during the past month and the way it is going into the households of Tonopah people demonstrates that it has found favor with the bread and pastry makers.

When you place your next order with the grocer specify that you want Gold Medal flour and refuse a substitute.

STRONG ENDORSEMENT FOR Gold Medal Flour

Many Handsome Things Have Been Said About GOLD MEDAL FLOUR

by those who have used it. But if you haven't read the others read this one. In it the University of Nevada Chemist goes on record as believing that no where else in the west is a flour which is the equal of GOLD MEDAL. This is a letter that money could not buy, for back of it stands all the prestige and authority of Nevada's highest educational institution. Here is the letter:

Nevada Agricultural Experiment Station, Department of Food and Drug Inspection, Reno, Nevada, April 29, 1910.

"Mr. Paul D. Roberts, Riverside Flour Mill, Reno, Nevada.

"Dear Sir:

"We have made an analysis of your 'Gold Medal Flour' and find as follows:

Moisture	10.55	per cent
Nitrogen	1.94	per cent
Protein (Nitrogen X 6.25)	12.12	per cent
Ether Extract (Fat)	1.37	per cent
Crude Fiber	.11	per cent
Nitrogen Free Extract	75.26	per cent
Ash	.59	per cent

"Further examination showed the flour to be unbleached and free from foreign matter. From ten grains of the flour we obtained 1.58 grams of dry gluten, or 15.8 per cent.

"For your information will say to you that the above analysis shows this flour to be far superior to any flour I have examined in all my experience in the western states.

"SANFORD C. DINSMORE, Chemist in Charge of Food Control."

GOLD MEDAL FLOUR won its name at the great world's fair in Chicago, where, in competition with flour from all parts of the world, it was awarded the gold medal. At Omaha it took the Blue Ribbon, and wherever it has been tested it has won the same high commendation as that which is embodied in Prof. Dinsmore's letter. Specify GOLD MEDAL when you order your grocer. Every sack is absolutely guaranteed. You will then get the best flour in the market, you will save money, and you will be showing your loyalty to Nevada industries.
